

## EVENT DETAILS AND DIRECTIONS

The event is located in Garnarea Co Kilkenny about 5 minute drive from Carrick On Suir on the main N24 from Carrick On Suir to Waterford, There will be arrow's in place from all directions near the event. Please note as there is a barrier along the center of the road which the event is located on and if you are travelling from Carrick On Suir side we would ask everyone to follow the arrows as we would not recommend that there be any crossing the road at the junction at Piltown tower as this is a very cautious junction, All traffic that needs to cross the road we be directed to the Fiddown fly over bridge to cross over safely.
