

RallySprint Final Instruction

[For Seeding and Map Click Here](#)

[To download Final Instructions Click Here](#)

1. All competitors: On Arrival, immediately park competing car in service area and bring trailer to designated 'Trailer Park'. 2. Mechanical and Paper Scrutiny will begin at 08.00hrs SHARP! The onus is on each competitor to be fully prepared as to make scrutiny run smoothly

3. All competitors to leave service area in numerical order at 10.25hrs - first timed run to commence at 10.30hrs.

4. Any competitor balked during their run, will keep to the Left shoot after the stop board, to recommence his/her rerun.

5. After completing each run, Competitors are asked to the keep Right and re-enter the service area. Caution is required as there will be a lot of pedestrian and event traffic on the entrance to the service area

6. Navigators who sign on with a Driver must stay with the same driver for the day. Navigators requiring one day Licences must bring proof of age as they must be over 16.

7. Navigators who have ordered one day Licences must report to the Rally Office between 0900 hrs and 10.15hrs.

8. The club would be grateful if all competing club members would stay back and help tidying up the venue after the event finishes (Many Hands Make Light Work).

9. New Class 11. Rallycross Cars up to 1450cc
